Laser Equipment Loaner Program!

The Laser Safety Team within the Office of Radiation Safety has added a new program that will allow laser users to borrow specific equipment to assist in temporary laser work situations. From calibrated meters to portable laser barriers, check out Laser Equipment Loaner Program for more information.

**Items that are available for loan:**
- Portable laser barrier
- Handheld power meter and sensors
- UV-A/B or UV-C meter

Living cells can be used to produce laser light

**Annual Laser Safety Refresher Training**
April 1st, 2022

This training is due: **May 31st, 2022.**

Annual Refresher Laser Safety Training.

If you have any questions, comments, or concerns please contact EH&S Laser Safety at lasersafety@wisc.edu or (608)265-5000.
