2021 Wisconsin Statewide Tornado Drill

- Thursday, April 15th, 2021
- Please reserve 15 minutes to practice your own tornado and severe weather safety plans (1:45pm and 6:45pm)
- Local municipalities may still sound sirens
- TV stations may cut in to discuss drill
- You may see messages on social media reminding people at home to discuss their sheltering plans

What will **NOT** happen...

- Test Tornado Watch/Warning from NWS
- Alert via NOAA Weather Radio
- EAS alerts through TV/Radio
- Cell Phone Alerts (WEA)
