

Safety Starts with you

June is National Safety Month

Since 1996, The [National Safety Council](#) has declared June as National Safety Month. The council aims to spread awareness of safety hazards and unintentional injuries.

Wear Sunscreen Daily

Reduce your skin cancer risk by wearing sunscreen daily. Most people spend more time outdoors enjoying summer activities, making it easy to forget to apply sunscreen. People with sensitive skin are most likely to burn easily in the sun. The American Academy of Dermatology recommends applying sunscreen with an SPF of 30 or higher. Since no sunscreen can block all of the sun's UVB rays, be sure to wear sunglasses, a hat, and cool, long-sleeved clothing when outdoors for long periods of time.

Wanted - CoE Floor Captains

The position of Floor Captain is that of a volunteer, providing aid to other building occupants, visitors and students in the event of an emergency. Floor captains are responsible for knowing all exit locations from occupied areas of their building.

CoE needs volunteers for each of our buildings. If you are able and willing to become a volunteer Floor Captain, please scan the QR code above to access the registration form.

Graduate Student Safety Committee (GSSC):

CoE Safety:

If you have interest in contributing to the Safety Standard or discuss a safety related item, please contact the CoE safety group at:
