

Safety Starts with you

Safe + Sound Week August 7-13

Safe + Sound Week is a nationwide event held each August that recognizes the successes of workplace health and safety programs and offers information and ideas on how to keep America's workers safe. This year Safe + Sound Week will provide resources for businesses on mental health and well-being.

Why Participate?

Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety successes.

Back to School Safety Checklist

As summer draws to a close and people start heading back to school, life can get pretty hectic. It's important to remember and share some key tips that will help keep everyone safe and healthy throughout the school year.

Safety Tips

Walkers:

- Walk on the sidewalk, if one is available; walk facing the traffic
- Before you cross the street, stop and look left, right and left again
- Make eye contact with drivers before crossing and always cross streets at crosswalks or intersections
- Stay alert and avoid [distracted walking](#)

Bike Riders:

- Ride on the right side of the road, with traffic, and in a single file
- Come to a complete stop before crossing the street; walk bikes across the street
- Stay alert and avoid distracted riding
- Wear a [properly fitted helmet](#) and bright clothing
